

## A SAVINGS PLAN FOR TEXANS WITH DISABILITIES

### What Is an ABL Account?

ABLE accounts are tax-advantaged savings accounts for eligible individuals with disabilities.

### About Texas ABLE®

The Texas Achieving a Better Life Experience (Texas ABLE®) Program is a tax-advantaged savings program that encourages and assists individuals and families to save and pay for qualified disability expenses to maintain an eligible individual's health, independence and quality of life.

*The Program is administered by the Texas Prepaid Higher Education Tuition Board through the Texas Comptroller's Office.*

### Benefits

Texas ABLE accounts allow Texans with disabilities the ability to save up to \$16,000\* per year for qualified disability expenses without losing eligibility under SSI, Medicaid and certain other federal and state means-tested benefits.

Withdrawals are tax free if used to pay for qualified disability expenses, and any earnings on your investments grow tax free.

*\* The expanded contribution limit for working individuals with disabilities under the Tax Cuts and Jobs Act may apply.*

## Using an ABLE Account

Funds in an ABLE account can be used to pay for qualified disability expenses that relate to the beneficiary's blindness or disability and are used to maintain or improve his or her health, independence or quality of life.

Any available funds remaining in an ABLE account after the beneficiary's death could be subject to a state of Texas reimbursement claim for medical assistance paid by Medicaid for the beneficiary during the period that their ABLE account was open.

## Qualified disability expenses may include:

Education, housing,\* transportation, employment training and support, assistive technology and personal support services, health, prevention and wellness, financial management and administrative services, legal fees, oversight and monitoring, funeral and burial and other expenses identified by the IRS.

*\* A distribution from an ABLE account for housing is an allowable expense. The withdrawal is disregarded for means-tested benefits as long as the distribution from the account and payment occur in the same month.*

## Investment Options

The Program offers five different investment options. Four are Managed Allocation options — Aggressive, Moderate, Moderately Conservative and Conservative — and one is a FDIC-insured Bank Savings Account option.

## Contributions

The annual contribution limit for an ABLE account is \$16,000 (the gift tax exclusion amount), with a lifetime contribution limit of \$500,000.

Medicaid eligibility is not affected by funds kept in the account. An account balance of \$100,000 or less does not impact eligibility for SSI. Certain working beneficiaries may be able to contribute above ABLE's annual contribution limit. See the Program Disclosure Statement or website for information and details.

The Texas ABLE® Program ("Program") is administered by the Texas Prepaid Higher Education Tuition Board. Orion Advisor Solutions, Inc. is the program manager. The Program and the Board do not provide legal, financial, or tax advice and participants in the Program should consult a legal, financial, or tax advisor before investing. Fees and charges for the most recent quarter are available on our website at [TexasABLE.org/expenses](https://TexasABLE.org/expenses).

An account could lose money including the principal invested. Other than the Bank Savings Account option, accounts are not insured or guaranteed by the FDIC. No part of an account is a deposit or obligation of, or is guaranteed or insured by, the Board, the state of Texas, or any agency or agent thereof. Interests in the Program have not been registered with or approved by the SEC or any state. Investors should carefully consider the tax consequences, impact on benefit eligibility, Medicaid recapture, investment objectives, risks, fees, charges, and expenses associated with the Program. The Board may suspend, modify, or terminate the Program or change investment approaches, offerings, and/or underlying investment funds at any time and without the consent of authorized legal representatives or beneficiaries. The Program Disclosure Statement and Participation Agreement contains this and other important information about the Plan and may be obtained by visiting [TexasABLE.org](https://TexasABLE.org) or calling 844-4TX-ABLE (844-489-2253).
